

The Biggest Lies in the Air Force...

- Base commander to the Inspector General: We're glad you're here.
- Inspector General to the base commander: We're only here to help.
 - Me? I've never busted minimums.
 - I have no interest in flying for the airlines.
 - We will be on time, maybe even early.
 - Pardon me, ma'am, I seem to have lost my jet keys.
- I fixed it right the first time, it must have failed for other reasons.
 - All that turbulence spoiled my landing.
 - I'm a member of the mile high club.
 - I only need glasses for reading.
 - I broke out right at minimums.
- The weather is gonna be alright; it's clearing to VFR.
- Don't worry about the weight and balance -- it'll fly.
- If we get a little lower I think we'll see the lights.
 - We shipped the part yesterday.
 - I'd love to have a woman co-pilot.
 - All you have to do is follow the T.O.
 - This plane outperforms the T.O. by 20 percent.
- The Air Force doesn't work as hard as the other services.
- Oh sure, no problem, I've got over 2000 hours in that aircraft.
 - I have 5000 hours total time, 3200 are actual instrument.
 - No need to look that up, I've got it all memorized.
 - Sure I can fly it -- it has wings, doesn't it?
 - Your plane will be ready by 2 o'clock.
 - We fly every day -- we don't need recurrent training.
- It just came out of annual -- how could anything be wrong?
 - I thought YOU took care of that.
 - I've got the field in sight.
 - I've got the traffic in sight.
 - Of course I know where we are.
 - I'm SURE the gear was down.
